EDUCATION

Dr.K.N.Modi Global School, Modinagar — Senior Secondary School

YEAR 2021 - YEAR 2023 | 81%

Meerut Institute of Engineering and Technology, Meerut — B.Tech CSE(AI & ML)

YEAR 2023 - PRESENT

PROJECTS

Quiz-App – *I made a LUDO game using React.js*

Github Repo Link :-

<https://github.com/lomash-choudhary/Quiz-App>

Live Link :-

<https://project-3-vercel.vercel.app/>

Todo-App-CRUD – *In this project I made a Todo App in which the user can Sign Up and then Sign In and then the user can see all their todos, Add, Update, Delete a Todo. I used JWT for the verification of the user.*

Github Repo Link :-

<https://github.com/lomash-choudhary/Full-Stack-Todo-App-With-Db-Connected>

Video of Project Working :-

<https://x.com/lomashonly/status/1837192769783427318>

Course-Selling-App-Backend – *In this project I made the backend of the course selling app. I added separate end points for the user and admins.*

Github Repo link :-
